Please accept our most sincere appreciation for your generous contribution to The Association of Naval Aviation, Inc.

More than at any time in our history it is vital to educate the American people that the security of our nation depends very greatly on a strong Navy, centered on our carrier battle groups supported by maritime patrol and rotary-wing forces, all maintained and trained at the absolute peak of their capabilities. This need is far from theoretical, as current combat operations prove daily and, especially, as threats continue to emerge throughout the world; nothing in the military arsenals of the world has the mobility, autonomy and sheer striking force of a U.S. Navy carrier force.

Your support will greatly help the Association provide that education by enabling ANA to play a leading role in shaping the dialogue necessary to ensure we maintain Naval Aviation as the key element of a strong Navy, America's most potent force for peace.

ANA is a 501 (c)(3) not-for-profit charitable organization; all donations and membership dues are fully tax-deductible. Your donation will be acknowledged with a receipt acceptable to the IRS.
