50 Years of Excellence

Fleet Logistics Support Squadron

FOUR-ZERO (VRC-40) commissioned on 1 July 1960, is tasked with providing carrier on board delivery (COD) services to the Navy. In this capacity, VRC-40 provides nearly two million pounds of time critical material to support Carrier Strike Groups as well as delivering nearly five hundred thousand pounds of mail per year. In addition to the COD mission, VRC-40's 450 personnel are also tasked with paradrops, search and rescue, and MEDEVAC missions. This flexibility was exemplified by recent operations in support of the Haitian Earthquake relief effort. VRC-40 provided over one million pounds of urgent, life-saving medical and humanitarian supplies while moving more than eight hundred relief workers into the area in the weeks following the devastating quake.

The Rawhides are taking this opportunity to celebrate the vital mission they have performed for the past fifty years. The squadron is planning a ceremony and reunion followed by an aerial demonstration with the C-2A "Greyhound" and its predecessor C-1A "Trader". The day will be concluded with a barbeque picnic.

For this event, the families and friends of VRC-40 with Navy League Hampton Roads are seeking financial support from members of the community. We greatly appreciate your contributions. Donations will be applied to the costs of coins, patches, cruise books as well as anniversary festivities.

Levels of Sponsorship

Express (\$5,000+):

- Permanent recognition on 50th Anniversary Wall
- Recognition in the program
- Ceremony Preferred Seating (8) & tickets to BBQ
- Invitation Only Breakfast prior to Ceremony
- Guided Tour of Squadron Spaces & Aircraft
